Cincinnati Award Program Honors the Achievement

CINCINNATI April 9, 2013 -- Chem Tec International has been selected for the 2013 Best of Cincinnati Award in the Chemical Products category by the Cincinnati Award Program.

Each year, the Cincinnati Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Cincinnati area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 Cincinnati Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Cincinnati Award Program and data provided by third parties.
